

# Hazard Mitigation Planning Public Meeting

**Onondaga County wants to know how it can better prepare you for disasters!**

**This meeting will provide the public an opportunity to review the potential hazards that could occur within the County, and will request input for the various mitigation measures intended to eliminate or reduce the negative impact of those hazards. Come join us!**

For questions, please contact Onondaga County Department of Planning via phone at (315) 435-2611.
