Re: Angry Pig – Sewer Connection Request – 2935 Lamson Road

Ms. Falcone,
On behalf of my client, Pig Pen Catering Events, at the above referenced address we are looking to request a sewer district extension to encompass the existing building currently being used as a restaurant.

The building has been in operation, and the owner is looking to abandon the existing septic system. The sewer connection will be at the cost of the owner and is anticipated to be approximately 1,225 Gallons/day flow rate.

We have attached the Map, Plan and Report for the sewer extension and have copied the Town Engineer for their review.

If you have any additional questions or comments, please give me a call at 315.486.0501. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Michael B. Lasell". The signature is written in a cursive style.

Michael B. Lasell, P.E., LEED AP
