Supervisor Rode:

The Village of Phoenix and our Village Engineer have reviewed the plans for the connection of 2935 Lamson Road in the town of Lysander, the business known as The Angry Pig BBQ, to the Lysander Sewer District. As you are all aware the village is under an Order of Consent from the DEC but the figure provided in the plans of 1225GPD is approved to connect with no need for offsets. This approval does not override the need for all inspections as guided by law.

Also, please note that once complete, the Village of Phoenix Clerks office needs to be notified in writing of the new connection and any related billing information.

Thank you,

*Brian Borchik*
