

Marriage Records Information

The Town of Lysander has marriage records available from 1881 through present. If the Town of Lysander does not have the records, you can obtain records from the **NYS Department of Health**.

- **What they have:** The NYS Department of Health handles marriage records for the entire state, except for those filed in New York City prior to 1914, which must be obtained from a local office.
- **How to get them:**
 - **By Mail:** Complete and mail in an application form (Form DOH-4384) with the required fee and any necessary documentation to the NYS Department of Health Vital Records Division.
 - **Online:** For faster service, order online through VitalChek, the only authorized vendor for New York State vital records. <https://www.vitalchek.com/>
 - (For years 1908 through 1935, call the Onondaga County Clerk's Office: 315-435-2227.)
