Attention: Tim Wolsey

Dear Mr. Wolsey,

I am writing to you again this year, just like in previous years in regard to our annual community fireworks display here in the Village of Phoenix. As you are aware, The Village has held this annual event for over 25 years. Each year the event grows and attracts more community involvement and interest. This is largely in part because of our generous sponsors and the beautiful professional display provided to us by Pyrotecnico.

In recent years, I learned that there is a \$300.00 pyro permit fee with the Town of Lysander. I understand the purpose of the administrative fee, however, as a municipality I am asking once again that the Town of Lysander board consider waving this fee for our annual community event.

Thank you in advance for your willingness to always work with us here in the Village and your consideration of waiving the fee. This year's display will be held on June 26, and I look forward to hearing from you.

Respectfully,

Jim Lynch
Village Administrator
