

# Data Center / Industrial Code Update Advisory Committee

Consist of 9 to 11 members

**6** - 2 people each from Lysander Boards –  
Town / Planning / Zoning

**2** - Residents of Lysander “unaffiliated” with Town

**3** – County / State members – Staff or Planning  
Members

Meet 2-3 times per month from June-August to identify and consider updates to sections of our Town Code regarding “Technology / Data Storage” and “stale” language.

Town Board will take findings from Committee to determine updates to Code. County & Town Planning Boards will have to review, and Public Hearing will also need to be set.
