Baldwinsville, NY 13027

Dear Supervisor Rode and Town Board Members:

Annually, in August, the Radisson Community commemorates its inception with a Founder's Day Celebration. The event is held at Kerri Hornaday Memorial Park and is free to all Radisson Members! This is the most popular event that we host, attracting a substantial number of Radisson residents and Corporate Park members. The event includes children's activities, musical entertainment and concludes with a stunning fireworks display! In attendance are the Belgium-Cold Springs Fire Department and Sheriff Deputies, as well as a visit from the Sheriff's Aviation Unit, Air-1, if available. As the Radisson Community continues to grow, so do the expenses to host this annual celebration. We request that the Town Board waive the permit fee for our fireworks display for this annual event. It is expected that the fireworks will begin at dusk (approximately 9:15pm) and will last 10 – 15 minutes.

Your consideration of this request is very much appreciated.

Sincerely,

*Lynn M. Tanner*
