## Intermunicipal Agreement with Granby Township

Lysander will continue to perform maintenance and plowing on these shared roads as it has for many years. This agreement just formalizes and denotes the sections and duties performed so there is no questions going forward between the Town of Lysander and the Town of Granby.

- 1) Countyline Road from Rt 48 going west to Dinglehole Road
  - A) Lysander does maintenance and drainage on 4118 feet.
  - B) Granby does maintenance and drainage on the remaining 4232 feet as well as plowing and salting the entire 8350 foot section ending at Dinglehole Road.
- 2) Countyline Road from Plainville Road going east 2550 feet.
  - A) Lysander does maintenance and drainage on 1214 feet.
  - B) Granby does maintenance and drainage on the next 1336 feet as well as Plowing and salting the entire 2550 foot section.
- 3) Cole Road from Plainville Road going west to Shuba Road.
  - A) Lysander does maintenance and drainage as well as plowing and salting of this entire section of 2534 feet.

B) Granby does maintenance and drainage as well as plowing and salting of the next 400 feet from Shuba Road going west to the curve.

This agreement shall remain in full force and effect unless either party gives the other at least 90days written notice of its intent to terminate the agreement.

On this the \_\_\_\_\_ day of \_\_\_\_\_ 2021 we agree to this plan.
