Re: Crimson Ridge Phase V Subdivision

Subj: Contract Drawing Acceptance

Dear Town Board Members:

I have completed my review of the Amended Crimson Ridge Phase V contract drawings dated November 2021 with a final revision date of November 29, 2021 as prepared by Plumley Engineering. At this time I have no further review comments and consider the documents acceptable. My approval applies to the following sheet numbers included in the contract drawings and is limited to the revised sewer lateral for lot 12B fronting Sabin Road.

Sheet Number	Sheet Title	Date
-	Title Sheet	November 2021
C501	Sanitary Sewer Plan & Details	November 29, 2021

In addition to the contract drawing tile sheet the Supervisor will need to sign the sanitary sewer BSP-5 permit.

Regards
