Re: Pompo Woods

Subj: Phase I Contract Drawing Approval

Dear Supervisor Wicks & Lysander Councilors:

I have completed my review of the Pompo Woods Phase I contract drawings with a final revision date of June 19, 2023, as prepared by Plumley Engineering. At this time, I have no further review comments and consider the documents acceptable. My approval applies to the following sheet numbers included in the contract drawings and is limited to infrastructure to be dedicated to the Town including the roadway, storm sewer, sanitary sewer mains & stormwater management system contained in the full set of construction drawings.

Sheet Number	Sheet Title	Final Revision Date
-	Title Sheet	June 19, 2023
C101	Existing Conditions & Demolition Plan	June 19, 2023
Fig. 4	Final Subdivision Plan	June 19, 2023
C301	Erosion & Sediment Control Plan	June 19, 2023
C302	Erosion & Sediment Control Details & Specifications	June 19, 2023
C401	Paving & Grading Plan	June 19, 2023
C402	Road Profiles	June 19, 2023
C403	Paving & Grading Notes, Details & Sections	June 19, 2023
C501	Sanitary & Storm Sewer System Plan	June 19, 2023
C502	Sanitary Sewer Profiles	June 19, 2023
C503	Storm Sewer Profiles	June 19, 2023
C504	Sanitary Sewer System Details & Specifications	June 19, 2023
C505	Storm Sewer System Details & Specifications	June 19, 2023
C506	Stormwater Management System Details & Specifications	June 19, 2023

In addition to the construction drawing tile sheet the Supervisor will need to sign the sanitary sewer BSP-5 permit.

Regards

Allen J. Yager, P.E.
Project Manager III / Sr. Engineer V
