## March 2014 – June 2014 Assessors' Report

New Basic Star Registration Issue: Property that transferred ownership during summer/fall 2013, received re registration information from DTF. This was the previous owners STAR not the current/new owners. In some cases they registered online, but never completed the initial application with the Assessor's Office. This is required and because no application was filed the exemptions were removed for 2014. DTF has indicated that the Assessor will have to handle/correct this problem. We will apply the Basic Star exemption to properties that re registered prior to March 1<sup>st</sup>, 2014 with DTF. Properties that re registered after March 1<sup>st</sup> will not qualify, because the deadline for all exemption filings is March 1<sup>st</sup> each year. I have identified 40 properties that were effected by this issue and mailings were sent to confirm registration numbers and dates. We will also send a letter with all mailed STAR applications that indicate the initial application must be returned to our office. The hope is to correct this problem for future years. Please see attached sample letters.

Mid March 2014, Preliminary Change of Assessment notices were mailed to 589 property owners. The Assessor scheduled 3 weeks of Informal meetings during March/April and met with 74 property owners. An additional 129 Change of Assessment notices were mailed the week of May 1<sup>st</sup>. Grievance Day was held June 3rd and a total of 39 were received and reviewed by the BAR. The list of verified changes has been sent to Onondaga County as required.

The Final AAR and 2014 Assessment roll have been filed with Onondaga County. The Assessor will pickup the 2014 roll, tax maps and AAR the week of June 23<sup>rd</sup>.

The legal notice for Final Assessment Roll will appear in the Messenger on June 25<sup>th</sup>, as required by law.

The ORPTS has verified the Level of Assessment at 100% for the 2014 assessment roll.

The Assessor has worked with SDG and the County to attach digital pictures to V-4 on the County server.

MEMO

June 17, 2014

To: Supervisor John Salisbury and the Lysander Town Board

From: Gene Dinsmore, Highway Superintendent

Subject: Rt. 48 CSX Crossing

The NYSDOT Planning and Program Management office has requested a favorable letter from us so they can declare the RT 48 CSX crossing exempt. This will allow the HAZMAT vehicles and school busses to pass without stopping. The rail line has been out of service since the Fulton Birds-Eye plant closed over a year ago and CSX has no potential customers on the horizon. The city of Fulton already did this where the line crosses 481 at the old Nestle plant – see attachment.

Accordingly, please resolve to authorize the Supervisor to write and send the appropriate letter to Mr. Dan Petrella at NYSDOT Region 3.

Thank you,

Gene Dinsmore

Mr. Petrella,

I am writing to request a study be done by the New York State Department of Transportation to explore the possibility of an exemption for the railroad crossing on State Route 481 near Nestle Avenue in the City of Fulton. The railroad tracks at this crossing are out of service. Currently vehicles that are required to stop at railroad crossing continue to do so at this crossing. The location of the crossing is near a curve in the roadway and there is somewhat of a limited sight distance when traveling southbound. I feel if vehicles were no longer required to stop at this crossing it would make the area safer by lessening the possibility rear end accidents there.

Thank you for your consideration in this matter. Please contact me at (315) 592-3464 with any questions.

Sincerely,

Lt. Jason R. Delano

RE: OCWA Project No. 9003713  
Install Two (2) Hydrants  
Timber Banks, Sec. 3 & YMCA  
Town of Lysander

Dear Mr. Salisbury:

Enclosed please find Map File No. 1774, sheet 10, showing two (2) proposed hydrants in the existing Cold Springs Water Supply District for your review.

If the above hydrant meets with your approval, we request that the Town Board duly approve it. Sign and insert date on the enclosed three (3) Applications for Fire Hydrants. Return two (2) copies to our office and retain one copy for your files.

The Developer, Pooler Enterprises, Inc., will pay for the hydrant installations in conjunction with the 12" Water Main Extension. The Town will be notified when the hydrants are in service, and then will be billed the annual hydrant maintenance rate, which is currently \$61.61 per hydrant per annum.

Thank you for your attention to this matter.

Very truly yours,

OCWA

The undersigned, the Town Superintendent of Highways of the Town of Lysander, County of Onondaga, upon the written application of ONONDAGA COUNTY WATER AUTHORITY, dated on the \_\_\_\_\_ day of \_\_\_\_\_, and filed with him/her, as provided by Section 149 of the Highway Law, hereby grants permission to said applicant to install 1,070' of 12" DICL water main at Timber Banks, Sec. 3 & YMCA, Town of Lysander, as shown on the attached map entitled: 12" Ext., Timber Banks, Sec. 3 & YMCA, Town of Lysander. Map file #1774, Sheet 10, dated 4/22/14, with plan-approved date of 6/25/14.

Note: Pooler Enterprises, Developer, will be responsible for pavement and cold patch placement.

This permit is granted subject to the following conditions:

1. The work authorized by this permit shall be performed in a manner satisfactory to the Town Superintendent.
2. The applicant is to keep in good repair all pipes, hydrants or appurtenances which may be placed within the bounds of the highway under terms of this permit and is to save the Town harmless from all damages which may accrue by reason of their location in the highway, and upon notice by the Town Superintendent, agrees to make any repairs required for the protection and preservation of the highway; and further agrees that upon failure of the applicant to make such repairs, they may be made by the Town Superintendent at the expense of the applicant and such expense shall be a prior lien upon the land benefited by the use of the highway for such pipes, hydrants and appurtenances.
3. The drainage, sewer or water pipes or appurtenances which are laid under this permit shall be so placed as not to interrupt or interfere with public travel upon the highway; and the earth removed must be replaced, and the highway left in all respects in as good condition as before the work was performed.
4. That such drainage, sewer or water pipes must be placed at least four (4) feet below and in such a manner as in no way to interfere with the pavement, shoulders or drainage ditches of the highway and that portion of the trench which passes under the pavement shall be bored or pipe-driven and in no case shall the pavement be disturbed. Upon the completion of the work, the highway shall be left in as good condition as before the work was performed and to the satisfaction of the Town Superintendent.
5. It is agreed by the applicant that any injury or disturbance of the pavement portion of the highway, its shoulders or drainage ditches which may occur hereafter by reason of the laying of said drainage, sewer or water pipes and their appurtenances shall be repaired by and at the expense of the applicant to the satisfaction of the Town Superintendent.
6. The said Town Superintendent may, upon the failure of the applicant to comply with any of the conditions contained herein, revoke this permit and remove any pipes or hydrants, or other appurtenances, which may have been placed in the highway under this permit.
7. If the road upon which this permit is issued is at the time of issuance a Town highway, and should it be thereafter improved as a State highway or County road, or by any municipality, it is agreed that the applicant shall, before its improvement at the applicant's own expense, remove drainage, sewer or water pipes or appurtenances which may be placed under this permit and will relay the same in conformity with the directions of the engineer in charge of such improvement and in accordance with the rules and regulations prescribed by the State Superintendent of Public works or the county Superintendent of Highways as the case may be.
8. The undersigned applicant agrees to accept full responsibility and liability because of said work and further agrees to save the Town of Lysander and the County of Onondaga free from any and all responsibility and liability thereof.

Dated this 7th )  
Day of JULY 2014 )

To: Lysander Town Board

From: Ann Smiley, Director

Date: July 10, 2014

It is with pleasure and sadness that I submit my letter of resignation from my position as Parks & Recreation Director effective August 21, 2014. The pleasure is because of my excitement of moving on to the next phase of my life and the sadness is because overall it has been a wonderful 23 years (1991 – 2014). I have appreciated the support I have received over the years as the park and programs have grown, and thank you for that. I would particularly like to thank John Salisbury for his support, Tony Burkinshaw for his unending enthusiasm, creativity and energy, and David Rahrle for being a source of wisdom and a great sounding board. I also would like to thank the Parks & Recreation Commission for their continued support of our department, in particular Bob Ellis - the Chairman.

Please let me know what I can do to help you with a replacement during what is a very busy time in our office.

Again, my thanks.

**Subject:** Request for usage of Town of Lysander Office property for Saturday Sept 13th

John,

Per our conversation, I am formally requesting usage of the property at 8220 Loop Rd on morning of Saturday, September 13th, 2014 for a road running event to benefit the Upstate Cancer Center and other related Cancer organizations. The event will be called the RBC e-Race Cancer Run for the benefit of Upstate Cancer Center and would be held the day before and in-conjunction with the Lysander Fall Festravaganza (Sept 14, 2014) . The event will include a Kids Fun Run, 5k and a 1/2 marathon. All race starts and finishes will be at the property. The 5k and 1/2 marathon (13.1 miles) will be certified events taking place on town of Lysander roads. The Kids Fun Run will be no more than 1 mile in distance, course yet to be determined.

I have contacted the Sheriff Dept and will work with them to be certain that the course(s) are safe and properly marked.

I would request usage of the bathroom on the east side of the Town of Lysander Bldg but will also have at least 2 porta potty's stationed on the premises. After the conclusion of race(s) I would have live entertainment (a band) and vendor stations (related to the race). I am also considering having a chicken BBQ at the conclusion of the race(s) that would first be offered to the local Fire Depts as a fund raising event for them.

I have experience coordinating events as well as actual race experience both as a former participant and also as an 8 year member of the Baldwinsville Kiwanis (Kiwanis Turkey Day Race). Through Willow Health and Wellness we have a relationship with Fleet Feet, a sponsor of many area running events. RBC (Royal Bank of Canada) is a creditable sponsor that will allow the event to succeed even its first year. Other sponsors included Kinney Drugs and AT&T. I will acquire others as I move the process forward.

I formally request that this matter be submitted to the Board of Trustees for their and your consideration. I will be than willing to come before the next Board of Trustee work sessions to discuss this request and the event in greater detail.

This event along with the Fall Festravaganza the following day will make for an exciting weekend for the entire town and will benefit the many that will be involved in making this a great success.

Please confirm receipt of this email.

Thanks John,  
Mike Samoraj

**TOWN OF LYSANDER  
MEMORANDUM**

**To:** Supervisor Salisbury and the Lysander Town Board  
**From:** Gene Dinsmore, Highway Superintendent  
**Subject:** Surplus Swenson Sander  
**Date:** July 11, 2014

---

Auctions International has brought us a \$2850.00 bid for the sander from Truck 10 which we have no further need for. I recommend that you approve this sale at Monday's meeting rather than risk withdrawal of the offer. Truck 10 and the Swenson sander were replaced by Truck 29 which we received this year. The truck itself needs to be re-bid to correct an error that they made in the description.

Thank you,

Gene Dinsmore
