Attention: Tim Wolsey

Hello Tim,

I wanted to reach out to you once again this year regarding our annual community fireworks display here in the Village of Phoenix. As you are aware, The Village of Phoenix has held this annual display for almost 25 years. Each year the event grows in size due to the generosity of our local business sponsors and resident donations.

In recent years, I learned that there is a \$300.00 pyro permit fee. I understand the fee but as a municipality, I am asking that the Town of Lysander board consider waiving this fee for our annual event due to the nature of the revenue for the public display.

Thank you in advance for the consideration and the continued willingness to always work with us. I look forward to hearing the response so we can continue to move forward with our 2024 Fireworks display to be held on June 28th this year.

Respectfully,

Jim Lynch
Village Administrator
